What is the Wandin Heritage Foundation?

The Wandin Heritage Foundation has been established to ensure that secure and guaranteed funding will be held in perpetuity and is available for the ongoing maintenance of Mont De Lancey.

The Asset is formed by the collective pooling of all donations into a capital body referred to and known as The Wandin Heritage Foundation, from which the interest will be disbursed to Mont De Lancey Historical Museum Limited.

Mont De Lancey is committed to collect, preserve, maintain and present the very rich heritage of this district now and for generations to come.

Independent Trustees

The three (3) trustees who administer The Wandin Heritage Foundation are:

Mr Ian R Pollock

Resident of Chimeside Park

Mr Graham W Smith

Business Proprietor
Resident of Yarra Junction

Mr Bruce A Caldwell
